Ryegrass Advantage

Establishment and Termination

3:00-3:15 **Open Discussion**

Refreshments Provided

We have 10 ryegrass varieties, 12 triticale/ryegrass blends of different rates and varieties, 12 rye strips, 18 triticale varieties (many of these duplicated), and 5 wheat varieties. We have clover in some of our strips as well. **Of special interest will be our two new varieties Short Beard and Fredro which we hope to have available in limited quantities this year.**

Please RSVP to Keith
